Delaware Medical Assistance Program

2026 Delaware Medicaid Preferred Drug List (PDL)

- Unless otherwise specified, the listing of a particular brand or generic name includes all dosage forms of that drug.
- Be advised that any prior authorization criterion provided here is for **FEE-FOR-SERVICE** (FFS) MEMBERS **ONLY**. Prior authorization forms for FFS members can be found on the Pharmacy Corner at: https://medicaid.dhss.delaware.gov/provider/Home/PharmacyCornerLanding/tabid/2096/Default.aspx
- Prior authorizations for members enrolled with a Managed Care Organization (MCO) should be processed through the MCO following MCO criteria.
  - Highmark Health Options (HHO) criteria can be reviewed at https://client.formularynavigator.com/Search.aspx?siteCode=9768635417
  - AmeriHealth Caritas criteria can be reviewed at http://www.amerihealthcaritasde.com/provider/resources/pharmacy-prior-auth.aspx
  - Delaware First Health criteria can be reviewed at https://www.delawarefirsthealth.com/providers/resources/clinical-payment-policies.html
- For brand-name medications not on the Brand over Generic (BoG) list to be considered, providers must submit a prior authorization form with documentation of medical trial of the generic and outcome electronically via the DMAP Provider Portal.
  - A brand-name agent highlighted in yellow on the PDL is preferred over its generic. Please note that some brand name agents may not be listed on the PDL.
  - Please refer to the Delaware Pharmacy Corner website for a complete listing of BoG agents at https://medicaid.dhss.delaware.gov/provider/Home/PharmacyCornerLanding/tabid/2096/Default.aspx

The DMAP may limit the duration of time that a member may receive medication during a 12-month period or may establish a lifetime limit for particular classes of drugs or specific products.
